Summary

Hi! I'm Elisa and I am a computer science PhD student at UC San Diego who started racing bikes in 2024. Since then, I've achieved a few top-15 results at national level stage races, such as the Redlands Classic and Valley of the Sun. Before I raced bikes, I was a Division 1 rower at Columbia University (where I graduated in 2023).

Power Numbers

Time	Power
5 sec	890 W
30 sec	606 W
1 min	486 W
6 min	334 W
20 min	275W
30 min	260W
